## **Key dates**

**4th March 2019** – deadline for online registration <https://goo.gl/forms/TogzJmUwzkbcBuv43>

**18th March 2019** – speakers will be informed about selected papers.

**22nd March 2019** – preliminary conference program will be announced.

**4th April 2019, 9.00** – participant registration, **10.00** – opening of the conference.

## **Requirements for oral presentation:**

Presentation duration - up to 10 minutes. Only presentations in MS PowerPoint (\*.ppt or \*.pptx) will be accepted.

## **Requirements for poster presentation:**

Poster presentation must be on A0 (594 x 840 mm) sheet in portrait orientation.

A conference participant should get a general idea of the material when looking at the poster and should be able easily read the text. Text in the poster should take not more than 50 % of the total area of the page. Only the title of the presentation and titles of the most important parts or elements should be capitalized. Bold, indented and/or underlined font can be used to highlight especially significant or emphasized short text elements or individual words in the text of the presentation. It is recommended to use not smaller than 24 pt font with at least single spacing between the lines.

Illustrations (tables, pictures and photos) can be in different sizes, but more important elements should be bigger.

The title of the presentation corresponding to the prepared or planned to prepared article, first and last name(s) of the author(s), and name(s) of represented institution(s) should be written at the top of the page. There should be information about the the author(s) at the bottom of the poster.

## **Delivery of remote presentations:**

### **Sending presentations**

All remote presentations (in PowerPoint) must be sent to the Conference Organizing Committee at least 48 hours in advance before the conference. It won't be possible to play presentations remotely.

### **Delivery of presentations**

All in advance sent presentations will be hosted on the conference separate sessions network and will only be accessible to deliverers of remote presentations. Adobe Connect will be used for delivery of presentations.

### **Technical requirements for remote presentations**

MS PowerPoint 2013 program will be used on computers in the conference. Only presentations with video formats in MS PowerPoint (\*.ppt or \*.pptx) will be accepted. Only default/supported fonts by MS Office 2013 must be used. Please do not use special fonts (additionally installed in PowerPoint).

### **Video files**

If your presentation has video files (links to video files) then it is important to sent not only the PowerPoint file, but also video files in order to test if they can be played. Most video files (e.g. MP4, .MPEG, .wmv, .AVI) are accepted. Please be advised that Prezi (and other similar programs) presentations are not accepted.

### **Presentation format**

Please use 4:3 format

### **File size**

It is recommended that the size of the presentation file (together with video files) won't exceed 500 MB.

### **Duration of remote presentation**

Remote presentation delivery time is up to 15 minutes.

**Conference venue:** Šiauliai State College, Health Care Faculty, M. K. Čiurlionio Str. 16A, Šiauliai, Assembly Hall (1 floor).

**Work in sections:** rooms to be announced in conference programme.

**Conference fee:** participation is free of charge.

**Contact information:**

l.lescinskiene@svako.lt, +370 41 52 41 66.

n.jurgaitis@svako.lt, +370 41 43 37 93.
